Fjords Falcon

Comfort Collection

The Falcon features a five-star pedestal base that provides a stable foundation and allows for a full 360-degree swivel. The base is made of high-quality materials and is designed to withstand daily use. In addition, the Falcon also features a center return swivel mechanism. The Falcon is equipped with a gas lift cylinder that ensures a smooth reclining motion. The reclining mechanism is easy to use and can be operated with a simple lever located on the side of the chair.
