

The Fjords Juno recliner and ottoman embody timeless design, where thoughtful craftsmanship and exceptional comfort exist in perfect harmony. Beautifully proportioned to support the body naturally, the Juno invites you to slow down and unwind. A unique center-post glide system allows for a gentle rocking motion, while the sleek black star base and a selection of premium leathers and fabrics create an understated elegance that complements any interior. Every detail is thoughtfully considered, resulting in a recliner that delivers enduring style, purposeful comfort, and lasting quality.
